- 10.1.3 **Definition – Terms:** Unless otherwise modified herein, all terms shall be defined as provided in the procedure promulgated by the Bureau of Mediation Services.
- 10.1.4 **Civil Service Commission:** Under the PELRA, employees in a recognized bargaining unit may choose to grieve the disciplinary action through their contract provisions. In such cases, the Civil Service Commission will not conduct a hearing nor enter into the process. Similarly, an employee who chooses to appeal a disciplinary action to the Commission waives his/her right to file a grievance through a contract.
- 10.1.5 **Discrimination Charges:** Nothing in this contract shall prevent an employee from pursuing both a grievance under this contract and a Charge of Discrimination, including, but not limited to, those Charges of Discrimination brought under Title VII, the Americans with Disabilities Act, the Age Discrimination in Employment Act, or the Equal Pay Act.

10.2 Time Limitation And Waiver:

- 10.2.1 **Mandatory Time Limitations:** The time limitations set forth herein relating to the time for filing a grievance and demand for arbitration shall be mandatory. Failure to follow said limitations shall result in the grievance being waived and it shall not be submitted to arbitration.
- 10.2.2 **Valid Grievance:** Grievances shall not be valid for consideration unless the grievance is submitted in writing as outlined in this grievance procedure, setting forth the facts and the specific provision of the Agreement allegedly violated and the particular relief sought within twenty (20) days after the event giving rise to the grievance.
 - a. Written notice by the employee or its designee to an employee giving notice of prospective action shall constitute one such event giving rise to a grievance.

10.2.3 Waiver of Grievance:

- a. Failure to file any grievance within such period shall be deemed a waiver thereof.
- b. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance.

10.2.4 District Failure to Respond: If the District fails to reply in writing within the stated time periods, the Union may move the grievance to the next step outlined in the procedure below.

10.2.5 Waiver of Timelines: Timelines listed in the grievance procedure may be waived by mutual written agreement of the parties.

10.3 Adjustment Of Grievance:

The employer and the grievant shall attempt to adjust all grievances which may arise during the course of employment of any employee within the District in the following manner:

10.3.1 Step 1:

- a. **Informal Discussion:** The employee will informally discuss the grievance with his/her immediate supervisor.
- b. **Written Grievance:** If the grievance is not resolved at the time of the Step 1 informal discussion, it shall be reduced to writing by the Union Representative and submitted to the supervisor with a copy to the Employee Relations Department representative. The written grievance shall set forth the nature of the grievance, the specific facts giving rise to the grievance, the specific provisions of this Agreement allegedly violated, and the specific remedy sought. The written grievance must be submitted within twenty (20) workdays after the event giving rise to the grievance.
- c. **Supervisor Response:** Within ten (10) work days following submission of the written grievance, the supervisor shall answer the grievance in writing with a copy of the answer to the Employee Relations Department and union representative.

10.3.2 Step 2:

- a. **Submission to Step 2:** If the grievance has not been resolved within ten (10) working days after the supervisor's response is due, it may be presented in writing along with the reasons why the Step 1 response was not acceptable by the Union to the Employee Relations Department representative.
- b. **Grievance Meeting:** The Employee Relations representative shall arrange a meeting with the designated Union representative to discuss the grievance within ten (10) work days of receipt of the Union's written appeal.
- c. **District Response:** The Employee Relations representative shall respond to the Union Representative in writing within ten (10) work days following the Step 2 grievance meeting.

10.3.3 Step 3:

- a. **Submission to Step 3:** If the grievance is not resolved at Step 2, either party may request non-binding mediation by filing a request to the Bureau of Mediation Services within ten (10) work days after the Employee Relations representative response has been received or, in the absence of a response, when the response was due.
- b. For grievances arising out of the due process or disciplinary process, the grievance may skip Steps 1 and 2 and proceed directly to mediation with the mutual agreement of Local No. 320 and Employee Relations.

10.3.4 Step 4:

- a. **Referral to Arbitration:** If the grievance is not resolved within ten (10) work days after the Employee Relations representative's response is due in Step 2, or if no settlement is reached as a result of the mediation conference either party may refer the matter to arbitration. Any request for arbitration will be in writing and must be received by the other party within ten (10) work days following the mediation conference, the date of the Employee Relations representative's response, or, absent a response, the date the Employee Relations representative's response was due.
- b. **Selection of Arbitrator:** The District and the grievant or the grievant's representative may select a mutually acceptable arbitrator. If not able to do so, the Union may request a list of seven (7) names of qualified arbitrators from the Bureau of Mediation Services, State of Minnesota. The District and the grievant or the grievant's representative shall determine who is to strike the first name from the list by the toss of a coin. Each party will then alternately strike names until only one remains, who shall be the arbitrator who shall hear and decide the grievance.
- c. **Limitations on Arbitral Authority:** The arbitrator shall not have the power to modify, ignore, add to, or subtract from any provision of this Agreement, but shall make a final and binding decision. The arbitrator shall consider and decide only the issue(s) submitted by the parties, and shall have no authority to render a decision not so submitted. The arbitrator's Decision shall be rendered in writing within thirty (30) days after the close of the hearing or after submission of written briefs, whichever is later.
- d. **Fees and Expenses:**
 - Fees and expenses of the arbitrator shall be divided equally between the District and the Union.
 - **Hearing Transcript:** If either party desires a transcript of the proceedings, it may cause such a record to be made, provided it pays all cost associated therewith. If both parties desire a transcript of the proceedings, the costs shall be shared equally.

- 10.3.5 Advanced Grievance Step Filing:** Certain issues, which by nature are not capable of being settled at a preliminary step of the Grievance Procedure or which would become moot due to the length of time necessary to exhaust the grievance steps, may be filed at an advance step where the action giving rise to the grievance was initiated. Such advancement will only be granted

with mutual agreement between the appropriate Union representative and the appropriate Employee Relations representative.

10.4 **Employee Discipline:**

- 10.4.1 The parties to this Agreement expressly recognize that certain terms and conditions of employment are governed by the Rules of the City of Minneapolis Civil Service Commission and that the Rules of the City of Minneapolis Civil Service Commission, except where specifically superseded by this Agreement, shall be considered to be part of this Agreement. Both parties agree that they will abide by those Rules for the term of this Agreement and any extensions thereof. The parties agree that if the Civil Service Commission changes or adds to its Rules in such a way as to conflict with any express provision of this Agreement, the terms of this Agreement shall prevail. In the event that the Board of Education severs its ties to the City of Minneapolis Civil Service Commission, the Civil Service Rules as most recently in effect prior to severing of such ties shall remain in full force and effect.
- 10.4.2 **Just Cause:** The District shall discipline only for just cause. Discipline may be appealed through the discipline process.

In the case of motor vehicles, reimbursement shall not include personal property that is stolen or damaged unless the theft accompanies a personal assault upon the bargaining unit employee. Reimbursement shall not exceed \$500 per incident (including personal property, if eligible). The bargaining unit employee must submit photos, receipts and a police report number or an incident report number to receive reimbursement. Reimbursement shall be made by the District upon receipt of the appropriate paperwork. The maximum amount paid per year for all incidents in

Article 18 Leaves

18.1 **Sick Leave:**

18.1.1 **Calculation:** Sick leave with full pay shall be accrued by employees certified to permanent positions and who work 20 hours a week or more.

18.1.2 **Probationary Employees:** Employees on initial employment probation or reinstatement shall not be eligible to use accrued sick leave until they reach the minimum number of accrued hours calculated by the following formula: 130 days worked X .0462 hours accrued X the number of hours worked per day.

Typical assignments and minimum accruals are listed below. Example of calculations:

Assignment	Formula	Accrual Needed
20 hrs/week	130 days worked X .0462 X 4 hrs/day	24.02
25 hrs/week	130 days worked X .0462 X 5 hrs/day	30.03
30 hrs/week	130 days worked X .0462 X 6 hrs/day	36.03
31 hrs/week	130 days worked X .0462 X 6.2 hrs/day	37.23
38.75 hrs/week	130 days worked X .0462 X 7.75 hrs/day	46.54

18.1.3 **Accrual:**

a. **Formula:** Sick leave shall be accrued by employees by applying the formula above at the rate of .0462 hours x total credited hours without regard to the calendar year. Credited hours shall include all hours worked, including military leave, sick leave and vacation and shall exclude overtime, unpaid leave, disability and worker's compensation.

b. **Maximum Accrual:** The maximum amount of sick leave that may be accrued is nine hundred (900) hours. Payment for unused sick leave days earned during the current year in excess of 900 hours shall be at the rate of one hundred percent (100%) of the regular daily rate of pay in effect on December 31st of that year.

18.1.4 **Uses of Sick Leave:** An employee shall be granted sick leave with pay to the extent of the employee's accumulation for absences necessitated by the following conditions:

a. **Employee:**

- Illness or disability, including the period of time that a doctor certifies an employee unable to work because of pregnancy

- Medical, chiropractic or dental care
- b. **Others:** Sick leave granted under paragraphs 1 and 3 below shall be for such reasonable periods as the employee's attendance may be necessary. Use of sick leave for care of relatives must comply with provisions of Minnesota Statute 181.9413.
 - Illness of employee's mother, father, sister, brother, spouse, domestic partner, child, significant other, aunt uncle, niece, nephew, grandparents, grandchildren, mother/father-in-law, son/daughter-in-law, sister/brother-in-law, parents of spouse, or parents of domestic partner.
 - Birth or adoption of a child.
 - To accompany spouse, minor or dependent children/step children/foster children to dental or medical appointments.
- c. **Notification When Absent:** To be eligible for sick leave payment, an employee must notify the Director of Transportation and Plant Operations as defined by department policy. This notice may be waived if the employee can conclusively establish that he/she could not reasonably have been expected to comply with this requirement because of circumstances beyond the control of the employee.
- d. **Approval and Verification:** Sick leave usage shall be subject to approval and verification by the District who may require the employee to furnish a report from a recognized physical or mental authority attesting to the necessity of the leave, and other information the District deems necessary, as provided in the article herein titled "Fitness for Duty." The District may require medical verification with advance notice to the employee and/or in cases of suspected fraudulent sick leave claims. Sick leave benefits when authorized shall be paid at the employee's current base pay rate.
- e. **Medical Leave:**
 - **Eligibility:** A disabled employee who, because of illness or injury, has exhausted all sick leave benefits may be granted a medical leave of absence without pay.
 - **Seniority:** The seniority status of a disabled employee who is granted a medical leave of absence shall be determined in accordance with the provisions of the article herein titled "Seniority".
 - **Documentation:** An employee requesting a medical leave of absence without pay shall be required to furnish conclusive evidence of disability to the District. If the employee fails to furnish conclusive evidence that the absence from duty is necessary or if the employee fails to undergo an evaluation or furnish a medical report as requested by the District in accordance with the article herein titled "Fitness for Duty," the District shall have the right to require the employee to return to work on a specified date.
 - **Failure to Return from Leave:** Should the employee not return to work on such specified date, the employee may be considered to have

resigned in accordance with the article herein titled "Absence Without Leave".

18.1.5 **Miscellaneous Provisions:**

- a. **Reduction in Hours:** Employees who are reduced to below twenty (20) hours may use accrued sick leave.
- b. **Separation from Employment:** All sick leave that has been accumulated by an employee shall be canceled upon the date of separation from employment.
- c. **Restoration of Sick Leave:** Accumulated sick leave will be restored upon reemployment within two (2) years after separation from employment.

18.2 **Child Care:**

- 18.2.1 **General Provisions:** A leave of absence shall be granted to an employee for the purpose of providing full-time care for her/his new-born or newly adopted child or children. Whenever possible, arrangements for such leaves shall be made at least forty-five (45) days prior to the starting date of the leave. Arrangements for leaves granted for purposes of adoption shall be made upon official notification of the pending adoption. A planned date of return to duty shall also be arranged at the same time. Changes in the dates planned for commencement or termination of child care leave shall be granted only if requested at least twenty (20) calendar days prior to the originally scheduled date.
- 18.2.2 **Determination of Leave Dates:** The dates of commencement and termination of child care leave shall be at the discretion of the employee in consultation with her/his physician, if appropriate, and with the employee's supervisor.
- 18.2.3 **Limitation – One Calendar Year:** Leaves granted for maternity, paternity and adoption shall not extend beyond one calendar year. Failure to return to duty upon termination of leave shall be considered grounds for discharge.
- 18.2.4 **Early Return to Duty:** Upon five (5) duty days' notice of intent to return to duty, an employee may return to duty prior to the approved date of termination of leave in the event of interruption of pregnancy or cancellation of adoption.
- 18.2.5 **Use of Sick Leave for Personal Disability during Child Care Leave:** An employee may use sick leave pursuant to the sick leave provision of this Agreement during a period of disability. However, the employee shall not be eligible for sick leave during a period of time covered by childcare leave. A statement from the employee's personal physician must be submitted to the school physician concerning medical complications.
- 18.2.6 **Adoption:** In the case of adoption, employees may use their sick leave for duty days prior to the arrival of an adopted child when the adoption procedures include a legal requirement that the adopting parent be present. Use of sick leave for this purpose shall not exceed the duty days included in the twenty-two (22) days prior to the arrival of an adopted child. Such use of duty days within twenty-two (22) days need not be used consecutively. In addition, employees may use their sick leave for the duty days included in the twenty-two (22) days following the arrival of the adopted child.

18.2.7 **Extension of Probation Period:** The probationary period shall be extended by a period of time equal to the total number of duty days on leave. A request for child care leave shall not be used as a basis for discharge.

18.3 **Critical Illness or Death in the Family:**

18.3.1 **Death in the Family:**

- a. **Immediate Family:** Employees may be granted a leave of absence for up to five (5) days in the event of the death of the employee's mother, father, sister, brother, spouse, significant other, child, or stepchild who has been living in the same household immediately prior to the death.
- b. **Extended Family.** Employees may be granted a leave of absence for up to four (4) days in the event of a death in the extended family. The extended family shall include the employee's aunt, uncle, niece, nephew, grandparents, grandchildren, mother/father-in-law, son/daughter-in-law, sister/brother-in-law, parents of significant other, spouse's immediate family, anyone who has the position of parent or child, or any person who has been a member of the employee's household immediately prior to the critical illness or death.
 - **Limit per Contract Year:** Death in the Extended Family Leave shall not exceed a maximum of eight (8) days per contract year unless approved by the Director of Transportation.

18.3.2 **Critical Illness:**

- a. **Definition:** Critical illness is defined as an illness where death is impending, but recovery is possible.

18.3.4 **Critical Illness or Death of a Friend:** Employees may take up to two (2) days, to be deducted from the employee's cumulative sick leave for the critical illness or death of a friend.

18.3.5 **Use of Vacation Days:** Employees will be allowed to use vacation days in conjunction with the paid leave of absence days for a death or critical illness of above mentioned family members.

18.4 **School Conference and Activities Leave:** An employee may be granted up to a total of sixteen (16) hours of unpaid leave during any school year to attend school conferences or classroom activities related to the employee's dependent(s), provided such conferences or classroom activities cannot be scheduled during non-work hours. When the leave cannot be scheduled during non-work hours and the

need for the leave is foreseeable, the employee must provide at least three (3) days written notice of the leave and make a reasonable effort to schedule leave so as not to disrupt unduly the operations of the District. The employee may substitute vacation or compensatory time for this purpose according to the provisions of Article 7.

- 18.5 **Family Medical Leave Act:** The Family Medical Leave Act (FMLA) of 1993 provides additional rights while on leave of absence. Employees may take up to twelve (12) weeks of leave (per 12 month rolling year) to care for a spouse/child/parent, care for oneself, or due to the birth/adoption of a child or foster child. Health insurance costs would be the same as if the employee was actively working for that twelve (12) week period as defined in Article 16, Group Insurance Benefits. To determine if a leave under the provisions of the Family and Medical Leave Act will be a paid or unpaid leave of absence contact the School District Employee Benefits Department.
- 18.6 **Personal Leave:** Up to two (2) days per calendar year charged to accrued sick leave or vacation may be used for personal leave which is not covered under other leave provisions. No more than two (2) days can be taken and must have the approval from the Director of Transportation (or designee) with notice by noon (12:00 p.m.) the previous day.
